

VACANCY

AXIS Fiduciary Ltd is an award winning professional services provider operating in the Global Business sector with a particular focus on Africa. We are a team of qualified professionals made up of accountants, secretaries and graduates providing a world-class service to our international client base. If excellence is what you aspire to, **AXIS** is willing to offer you the opportunity to unlock your full potential through its tailor made training program, on-the-job coaching and exposure to international finance. **AXIS** is an equal opportunity employer which values the contribution of its employees and recognises the input of each member of staff in the growth of the firm.

We are currently looking for Assistant Accountants for which we invite candidates with the right profile to apply.

Assistant Accountant

The Assistant Accountant will be responsible to perform a variety of accounting duties including, but not limited to preparation of financial statements for GBC1 and GBC2, preparation of the audit file and follow up with the auditor, ensuring that all returns are submitted to the relevant authorities.

REQUIREMENTS

To ensure excellence in service delivery, **AXIS** ensures that it recruits members of staff based on their credentials. Eligibility to apply for the above position requires a set of minimum requirements based on experience, technical capability and qualification.

Please refer to the Job Profile.

APPLICATIONS

Please send your CV and motivation letter with Reference AA/01/18 to the attention of the HR Manager clearly indicating your salary expectations by email to careers@axis.mu by 02 February 2018.

The company reserves the right not to entertain any late submission and any application that it deems inappropriate.
