

## Appointment of Technical Director and Training Lead

### **Shammeemkhan Abdoolakhan**

Technical Director and Technical Training Lead (OPS).

Axis Fiduciary Ltd (“Axis”) is pleased to announce the appointment of Mr. Shammeem Abdoolakhan as Technical Director and Training Lead for the company. In his new role, Mr. Abdoolakhan will serve as the primary technical training expert, providing leadership and support to our team in corporate and fiduciary services, as well as developing and implementing training programs, designing and delivering training sessions, and developing technical documentation and resources.

With over 23 years of experience in the corporate and private wealth segment, Mr. Abdoolakhan brings a wealth of expertise to the position. He holds a Bachelor’s degree in Economics and a post graduate degree in Money and Banking from the University of the Free State, South Africa. Additionally, he is a qualified member of the Society of Trust and Estate Practitioners (STEP), a member of the International Fiscal Association (IFA), and a Fellow member of the Mauritius Institute of Directors (FIOD).

Mr. Abdoolakhan’s passion for education is reflected in his experience as a lecturer for a Master’s degree program at the Mauritius International Business School and as a speaker at international conferences such as the STEP Indian Ocean Regional Conference and the Asia/Africa International Fiscal Association Conference. His extensive experience and qualifications, coupled with his dedication to staying up to date with the latest developments in his field, make him a valuable asset to the Axis team.

At Axis, continuous professional development is a key part of our operations, as it enables us to stay competitive, maintain high standards of performance, and provide the best possible service to our clients. We have formalized and structured our training initiatives under the Axis Academy, and we are confident that with Mr. Abdoolakhan’s leadership, our team will continue to receive the highest quality training and support.
